

HOW TO PACK 25 lbs: SUGGESTED PACKING GUIDELINES

These guidelines are for a 5 day / 4 night trip - reduce as necessary for the 4 day / 3 night trip.

- | | |
|--|---------------------------------|
| 1 pair of jeans or pants | 5 pair underwear |
| 3 to 5 T-shirts (long and short sleeve) | 4-5 pair socks |
| 1 set sleepwear | Sunscreen, sunglasses, lip balm |
| 1 windbreaker or sweatshirt | Camera and batteries |
| 1 set warm long underwear (top and bottom) | |
| 1 pair tennis or boat shoes | |
| ***Non-essential personal medications & grooming items | |

^^^^Note that travelling clothes and other luggage for the trip to/from Vancouver may be left at the secure storage at your Hotel. There is no luggage storage at the South Terminal.

Pack all of your items in one bag and keep it under 25 lbs as required.

Using a duffle bag reduces luggage weight significantly and fits better in the cargo holds on the planes and helicopters.

The 25 lbs limit INCLUDES all luggage - if you choose to pack more than one bag, all bags will be weighed together (including backpacks and camera bags). Only fishing rods in cases shorter than 5 feet are excluded from the weight limits.

Ensure your full name appears somewhere on the outside of your bag.

*****Carry essential daily medications, passport, licence and wallet with you on the flights. Keep them in your clothing pockets ... guests frequently leave items in plane seat pockets.**

LIQUOR AND TACKLE:

We have a wide variety of liquor for sale at the lodge.

We provide rods and reels, downriggers, bait, basic salmon trolling tackle and all groundfish tackle. All boats are equipped with the most recently successful spoons, flashers and hoochies. Lost items are charged out at a low replacement cost.

SUGGESTED FASHION ROUTINE:

1. **For travel to lodge:** Wear long pants and long sleeve shirt with closed shoes (not sandals).
2. **For fishing:** Jeans, short sleeve t-shirt, long sleeve shirt, shoes (to get to drying room). In cooler weather, long underwear. Lodge provided rain gear & life jacket over everything.
3. **After fishing:** Leave rain gear, long sleeve shirt, rubber boots in the heated dry room, and all will be dry and warm when you use it next.
4. Just be comfortable at the lodge. Wear jeans or shorts and a shirt with comfortable shoes.
5. **Be assured, there are no fashion police at the lodge!**

PLEASE PACK 25 lbs ...

MAXIMUM WEIGHT for all luggage is 25 lbs (11.3 kg).

COMBINED WEIGHT: bags, suitcases and backpacks.

NO CARRY-ON LUGGAGE is allowed.

Only personal items such as purse, book, phone, CPAP machine or medicine may be carried on the plane and the helicopter.

Weights will be **STRICTLY ENFORCED** at check-in.

You will be required to leave excess baggage in Vancouver during your trip.

The suggested packing guidelines will help you in packing within the 25 lb limit.

Heavy items include wheeled or hard-sided luggage, tackle, rain gear, wine and spirits. We do provide excellent rain gear and rubber boots for your use. Wine and spirits are available for purchase and consumption at the lodge. Please use our customer information form to request special liquor orders before May 1st.

We provide rods and reels, downriggers, bait, salmon trolling tackle and all groundfish tackle. All boats are equipped with the most recently successful spoons, flashers and hoochies. Lost items are charged out at a low replacement cost.

We thank you for your efforts to ensure safe flights for you, your fellow guests, and your fish catch.

The weight restriction will be **strictly enforced** upon check-in. Any bags heavier than 25 lbs will be returned to you, with the request that you remove items to meet the weight restriction. Items removed may be shared among other passenger bags in your group. There are no luggage storage facilities at the South Terminal

Can I aggregate my weight with my fishing partner?

We can't use aggregate group weights for bags. North King Lodge always plans that fishing partners, and, where possible groups, fly together. For operational reasons, Helijet pilots may adjust the passenger manifests in order to balance overall weight of passengers and baggage. You may pack extra weight in a friend's bag, but ***EACH PERSON'S LUGGAGE*** must weigh 25 lbs or less.

LUGGAGE STORAGE:

For guests staying the previous night in Vancouver, you may choose to weigh your luggage before leaving the hotel, and distribute excess weight to your friends' luggage, or keep it behind at no charge, in the hotel's secure luggage storage.
